THE platform for sustainable growth...

PackEx India, with growing exhibitor & visitor numbers year on year, has established itself as the most important platform for packaging materials, machinery suppliers & packaging users. Its ability to attract key decision makers from across India and the neighbouring countries, has been the key growth factor for success of this exhibition.

In the current market scenario, where new product launches needs innovative packaging solutions, emphasis on packaging has gone to a new level. As a networking platform, PackEx India is playing an important role to understand, analyse and adopt these latest packaging trends.

Key Visitor Profile

An Event which Delivers...

Good industry focused show. Relevant foot fall. Will definitely be a milestone in the growth of packaging industry.

Sanjay Malik Sabharwal, Sr. Vice President
Uflex Limited (Engineering division)

The exhibition was well attended and organised. Since PackEx was accompanied by other shows like dairy universe / sweets and snack tech & food tech the quality of visitors was exemplary. Most of the companies were represented by the decision makers which is the very purpose of exhibiting our products.

Saket Bhatia, Sr. Vice President, Hindustan Tin Works Ltd.

This is one of the best event experience we got here. The quality of visitors was very good. We thank Koelnmesse YA Tradefair for organizing such a nice platform where buyers and sellers are mutually benefited.

BVNG Krishna, Director - Sales & Marketing, Domino Printech India Pvt. Ltd.

About the IPMMI:

The IPMMI (Institute of Packaging Machinery Manufacturers of India) has since over a decade of establishment been an excellent catalyst in taking forward the growth of the packaging machinery sector. The institute through its various activities could help in creating a consciousness among the members, in particular and the industry, in general the importance and significance of material, design and performance needs for global acceptance. The increasing demand from within the country, reducing dependence on imports and consistently growing exports with wide product range and markets, speaks volume of the capabilities built and willingness to convert challenges into opportunities. IPMMI has members spread across the country. It is registered as a company under section 25 of the companies act, 1956.

About the IFCA:

Indian Flexible Packaging & Folding Carton Manufacturers Association (IFCA) is an all India association of manufacturers of Flexible Packaging materials, Cartons manufacturers and allied industries. Association has many prominent companies from packaging industry as members. Association provides platform to the members for various activities which benefit them and the industry. IFCA is proud to be associated with **PackEx India 2018** and wishes them a grand success.
