

Uflex Limited

31 May 2017

India's largest multinational flexible packaging materials and Solution Company

Background

Over the last three decades, Uflex has earned an irreproachable reputation defining the contours of the 'Packaging Industry' in India and overseas alike. Since its inception in 1985, it has turned into a billion dollar company focusing on trust, value creation for customers, quality innovation and customer satisfaction. The company has come a long way to become India's largest multinational flexible packaging materials and Solution Company.

Our Business

Uflex today has state-of-the-art flexible packaging material manufacturing facilities at multiple locations in India with installed capacity of around 100,000 TPA and has polymeric film manufacturing facilities in India, UAE, Mexico Egypt, Poland and USA with cumulative installed capacity in excess of 337,000 TPA. Integrated within its core business profile are allied businesses like Engineering, Cylinders, Holography and Chemicals that further give Uflex a superior edge above competition besides qualifying it to be fully integrated end to end flexible packaging materials and solution company.

Being India's largest fully integrated multinational flexible packaging materials and solution company Uflex can offer PET resin; Packaging films (BOPP, BOPET, CPP, Metallized and other Speciality Films); Packaging products like laminates (roll form), pre-formed pouches, flexi-tubes, big bags; Packaging and Converting machines; Inks, adhesives, coatings & polyols; Anti-counterfeiting & brand protection solutions; Elastomers & Sleeves, Rotogravure printing cylinders; Flexo-polymer plates. Resonating, Government's Make in India ethos, Uflex will be soon operationalizing first of its kind Aseptic Packaging Plant in Sanand, Gujarat for packing liquid products with an initial Capex of approximately INR 580 crore in the first phase. This new facility has been designed for a maximum capacity of 7 billion aseptic packs per annum offering packaging solution for non-aerated drinks; liquid dairy products, juices and other beverages.

Some of Uflex's clients on the global turf include P&G, PepsiCo; Tata Global; Mondelez, L' Oreal, Britannia, Haldiram, Amul, Kimberly Clark, Ferro Rocher, Perfetti, GSK, Nestle, Agrotech Foods, Coca Cola, Wrigley, Johnson & Johnson among several others.

Winning Strategy

With over three decades of rich experience, Uflex has been setting benchmarks of success and innovation to become '**A part of your daily life**'. Maintaining proximity to customers, ensuring speed to market reach, offering innovation to create value added differentiation, ability to service any quantum of order just in time and the capability to provide end to end customised flexible packaging solutions has made Uflex, India's largest multinational flexible packaging materials and solution company.

The visionary

The man behind the astounding success of **Uflex is Mr. Ashok Chaturvedi**, who is fondly revered as the *Father of Indian Flexible Packaging Industry*. To his credit are the unit packs or sachets for shampoos, candies, tomato ketchup that brought about a revolution in the FMCG sector back in the eighties suddenly bringing the popular brands within the reach of masses. This watershed moment followed by strong and steadfast progress under the aegis of Mr. Chaturvedi made Uflex a billion dollar multinational organisation from a very humble beginning back in 1985.
